Advance Wholesale Prices for 1907,—of “The Best Seeds that Grow!”

THE BURPEE-QUALITY is quite different from that of commercial grades generally sold. BURPEE'S “SEEDS THAT GROW” cost a little more, but are worth much more!

At Wholesale—as well as at retail—we are “A Mail-Order House” *exclusively*. We never send out travelers to solicit orders. As a consequence, however, we are careful to *attend promptly* to inquiries by mail or telegram. In large lots on many varieties, this season, we are prepared to quote **special prices** upon request.

It pays to order early. Should any varieties be quoted lower in our general Trade List to be issued, as usual, January 1st, we shall give advantage of such reductions on all booked orders. Some prices are likely to advance,—thus YOU have everything to gain by placing your order early.

Burpee's Seeds

whether Peas, Beans, Sweet Corn, or Farm Seeds,—or a quantity of small Garden Seeds,

Every Sack is Sealed
with our

Registered Trade Mark
on a Lead Seal.

Inside each sack is the label printed with name of variety and

Dated 1907.

A tag outside shows what each sack contains.

Terms of Credit.—To regular customers and well-known houses of established credit, all bills bought from this catalogue are due June 1st, without regard to date of purchase.

Bills purchased on **special quotations**, made by letter or telegram, are *net* sixty days from date of invoice, or subject to a discount of one and a half per cent. for cash within ten days of date of invoice.

Unknown correspondents desiring credit are requested to give satisfactory reference in Philadelphia or New York.

Cash Discount.—We allow a discount of **Five Per Cent.** on orders accompanied by a cash remittance, and also on all bills (at catalogue prices) paid within ten days from date of invoice.

The Prices Quoted are those ruling at this date. We expect to adhere to them until the issue of our January catalogue, except where important changes compel us to advance or reduce our prices, when we shall be governed by the market. **10 lbs. and more will be supplied at the rates per 100 lbs.;** $\frac{1}{2}$ lb. and $\frac{1}{2}$ bushel at pound and bushel rates; but *smaller quantities will be charged at a higher rate.*

NO CHARGE for Packing or Cartage.—Bags and boxes are charged *at Cost*. After delivering to forwarders in **good order** (as shown by Bill of Lading) our responsibility ceases.

Insurance will be effected only when so directed.

SEALED PACKAGES.—We make no charge for sealing **pounds, pecks, or bushels**, but at the low bulk prices quoted, we shall charge for putting up in smaller sealed packages, when so ordered, as follows:

In Ounces.—One cent per ounce, 50 cts. per 100 ounces.

In Quarter-Pounds, Pints, and Quarts.—Two cents for each package.

In Two-Quarts and Four-Quarts.—A charge of three cents per package.

Our export trade is increasing every year, and dealers, even in the most distant countries, who intrust their orders to us, can rely upon the same close attention and equally the **most favorable prices** that we are making at the same time, for the same quality and quantity, to American seedsmen.

Telegraphic Cipher (or Cable Code)

FOR WEIGHTS AND MEASURES.

The telegraphic cipher word for quantities must always precede the cipher words for seed, but if the same quantity of several varieties is ordered, the cipher word meaning that quantity need be placed only before the first. For example :

Arad Navy, Purity, Benares, Calliope, Chalice, Malmo Balcony, would mean, ship at once, cheapest route, ten pounds each NAVY BLUE and SADIE BURPEE SWEET PEAS (white-seeded), twenty-five pounds each BURPEE'S ALLHEAD EARLY CABBAGE and OXHEART CARROT, and ten bushels BURPEE'S STRINGLESS GREEN-POD BEANS.

Our customers will find this a very inexpensive way of wiring their orders, but we must caution them that care be taken in writing out the messages, as we cannot hold ourselves responsible for errors arising from incomplete messages or incorrect translation.

IMPORTANT.—This telegraphic cipher must be used **ONLY** on orders by telegraph or cable, and never in written orders sent by mail.

CHOICEST FLOWER SEEDS.

We make a specialty of the **Choicest Flower Seeds**, which we grow extensively at FORDHOOK FARMS, SUNNYBROOK FARM, and with our private growers in America. We have **extra-fine stocks**, particularly of ASTERS,—BALSAMS,—BEGONIAS,—COLEUS,—COSMOS,—GLOXINIAS,—Giant Hybrid HELIOTROPE,—MIGNONETTE,—Tall and Dwarf NASTURTIUMS,—PANSIES,—PETUNIAS,—PHLOX • DRUMMONDII,—SALVIA SPLENDENS, and VERBENA. ☞ We shall be pleased to quote **Special Prices** upon receipt of list of your requirements, stating varieties and quantities. Or you can send **an open order**, in full confidence that prices will be *moderate* for quality of seed.

Choice Strains of Tall Sweet Peas,

Including all the desirable varieties—both new and old.

We are acknowledged as **AMERICAN HEADQUARTERS** for Sweet Peas.

 We should refer to our Retail Catalogue for full descriptions of NOVELTIES not specially described herein, and should suggest that with the present widespread interest in Sweet Peas it will pay seedsmen generally to offer more of the **NEW SORTS**, as the margin of profit—between retail and these special prices—is greater than on standard varieties.

 We are not bound by these prices after December, and for quantities only so far as engaged.

When our general Wholesale Catalogue is issued in January, probably many varieties will be advanced.
